LONDON AT ITS BEST

Located just off Southwark Bridge on the lively South Bank, Rose Court Events is perfectly situated to showcase London at its best. Easily accessible from the City of London or the London Bridge and Borough area, you are at the heart of the city. London Bridge, Cannon Street, Bank and Blackfriars stations are easily accessible.

Managed by award-winning hospitality providers Green & Fortune, Rose Court Events offers an impressive choice of spaces for a range of events.

MEET AND ENTERTAIN, IMPRESS AND INSPIRE

Outdoor spaces are a major feature of the 25,000 square foot venue with all rooms featuring access to a wraparound terrace. Each of the nine spaces has floor to ceiling windows and expansive views across the capital.

At the pinnacle of the venue are the show-stopping 360° views from the roof garden, accessed via a contemporary curved staircase.

FOOD AND DRINK

Rose Court Events is brought to you by independent caterers, Green & Fortune. The service style is polished yet discreet and menus reflect the changing seasons and major on small batch producers and artisans. Menus will draw on a less formal approach to hospitality, including food stalls and stations alongside plated menus.

As well as embracing world-wide food trends, we ensure a sustainable approach to food is at the forefront of menu creation.

> We use quality and independently sourced British suppliers

Wherever possible we use quality and independently sourced British suppliers to ensure the best possible ingredients. We produce as much as possible in-house, for example our team of chefs includes an on-site baker to help us create the sweet treats on the menus and ensures we can offer a product that is of the highest standard.

We also have bar teams on-site who are happy to make bespoke cocktails to suit the brief of your event.

PLANNING YOUR EVENT

Purposefully designed to bring people together, Rose Court Events is set to be a go-to destination for a wide range of events from dinners and drinks receptions to seasonal celebrations. Get in touch with our team today, to see how we can bring your event to life.
